As project coordinator for **TEAM FLASHLUBE**, with 27 Speed World Driving Records and 23 Fuel Economy World Driving Records to my name, it is with great pleasure that I confirm the use of **FLASHLUBE Product** being used in the Daewoo Musso Record Breaking Diesel Fuel Tank on this Guinness Book City to City Diesel Record Drive.

**FLASHLUBE** certainly enhanced the fuel economy figures and I will not hesitate to use this wonderful product on future Record Breaking Drives.
